PROJECTS

Error-Tech Service Website

A responsive tech service website with an attractive UI. It includes a service booking page, a product showcase with three items, and a blog section. Users can explore services, book appointments, view products, and read blog content seamlessly.

Tech Stack: Next.Js , Tailwind CSS , Email.Js , Vercel , Git , TypeScript

Link: https://erro-tech.vercel.app

Resume Builder Ai

Resume Builder AI is a smart web app, currently under development, that makes it easy to create resumes with prompt-based and manual options. It features an ATS scanner and auto content generator powered by Gemini API. The site has an attractive, responsive UI built with Tailwind CSS for a seamless experience.

Tech Stack: React.Js , Tailwind CSS , Email.Js , JavaScript , Vite , Vercel , git API Intergration , Gemini API

Personal Portfolio

My Personal Portfolio website showcases my skills, projects, and work in web development. It includes a dedicated Projects section to highlight my work, a Skills section to demonstrate my expertise, and a Contact section for users to easily reach me. Additionally, I've incorporated a Blog page to share insights and updates on my work and industry trends.

Tech Stack: React.Js , Tailwind CSS , Email.Js , JavaScript , vite , Git , Vercel

PROJECTS

Educraft-Empower Website

I developed an Education Website as part of the Google Developer Groups Hackathon. The site features an AI-powered video generator, interactive quizzes, and certification for learners. It offers an engaging and effective learning experience with personalized video content and quizzes to help users test and validate their knowledge, with certificates for successful completion.

Tech Stack: React.JS , Tailwind CSS , TypeScript , Vite , Git , Vercel

EDUCATION

Sri Ramakrisha College of Arts & Science   June 2023 - Present
Bachelor of Computer Science with Data Analytics
CGPA: 72%

PSG Sarvajana Higher Secondary School   June 2022 - 2023 March
Higher Secondary 12th
Percentage: 74.5%

KEY ACHIVEMENT

YUVA Club - Chairman

As the Chairman of the YUVA Club, I led and managed a team to organize youth-focused initiatives and events. This role taught me valuable skills in strategic planning, event coordination, and teamwork, helping me grow as a leader while empowering and motivating young individuals in the community.

1st Prize in Web design

Hindusthan College: I won the 1st Prize in a Web Design competition at Hindusthan College, receiving a shield and a cash prize of 1000 INR. During the event, I created a portfolio under time pressure, which helped me enhance my speed coding skills and improve my design efficiency

DECLARATION

I hereby declare that the information furnished above is true and correct to the best of my knowledge and belief. I take full responsibility for the authenticity of the details provided. I am also committed to continuously learning, growing, and contributing effectively to any opportunity that comes my way.
